VCU

UNLIMITED
potential

VCU is one of the largest, most diverse urban research universities in the United States. Take a look at our academic success, innovation, and groundbreaking research, and you'll see that there is no place like this and no one like us.

28,408 students (fall 2022) | **2,500** full-time faculty | **16:1** student-to-faculty ratio

1,000+ international students from 140 countries

240+ programs of study

65+ STEM-approved OPT programs

◄ Scan to search for programs. And if your interest changes while you're here, you can create your own through our Interdisciplinary Studies program.

UNPARALLELED
opportunities

VCU has a high rate of job placement for graduates with plenty of internship opportunities that lead to jobs. In a survey of May 2022 graduates, 78% reported securing a job within six months of graduation and 90% of those said their jobs were related to their career goals and they were satisfied with results after graduation. Our career services advising program is instrumental in guiding the job search process.

70,000+ opportunities in VCU's jobs and internships database (2022) | **150+** local and global partnerships provide real-world mentorship

Highest urban concentration of
FORTUNE 500 COMPANIES
in Virginia

UNBEATABLE
location

We are located in the heart of **Richmond, Virginia**, a vibrant capital city. Richmond gives students access to a wide range of cultural, educational, and professional opportunities. We're steps away from theatres, art galleries, music venues, restaurants and the river, and **only two hours from Washington, D.C.**, the beach and the mountains.

UNEQUALED support

At VCU, we provide resources to help you succeed throughout your entire journey. This includes:

Learn more about scholarship opportunities. Scan QR code to learn more.

Opportunities to engage with domestic students
